

Britannia instyle 120

Fashion — Furnishing — Quilting

Designed with simplicity, quality and convenience in mind.

The 120 uses the innovative grip feed system used on industrial sewing machines. The easy-to-use LCD info screen makes this machine very user-friendly. Ideal for sewing a selection of different fabrics from fine, stretch, cotton, and heavy fabrics without setting the correct tension.

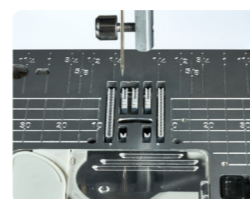

Industrial Grip Feed System

Fully automatic needle threader for fast and accurate threading

Extra high foot lift for thick fabrics

Innovative 7-point grip feed system for precise fabric handling
